

ORCAGEN — Revolutionizing Smart Financial Oceans

Powered by [Artificial Intelligence](#) and
[Blockchain](#)

🐳 "From the Ocean to the Galaxy — Build Your Whale
Empire."

Vision & Mission: The Wave of Global Financial Intelligence

Vision

Building a blockchain-powered smart financial ecosystem—connecting people, technology, and opportunities in one global ocean.

Mission

Passive Income

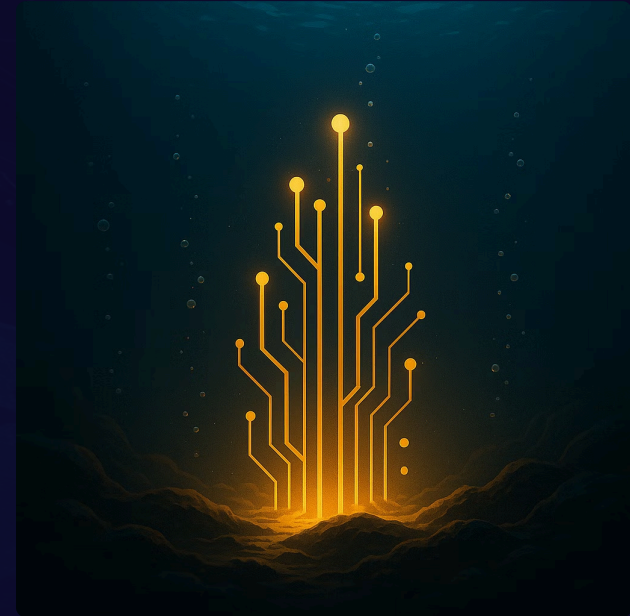

Enabling global passive income through staking and AI automation.

Transparent Ecosystem

Creating a transparent, sustainable, and beneficial ecosystem.

Metaverse Bridge

Launching Orcagen Galaxy 2027—bridging blockchain and metaverse evolution.

“A vision beyond profit—a smart wave movement.”

What is Orcagen? The Next-Generation Financial Ecosystem

Orcagen is an advanced blockchain ecosystem that combines artificial intelligence, decentralized finance, and metaverse experiences.

Smart Staking System

Up to 300% potential profit through automated leveling system.

AI Trading Automation

Intelligent fund management with AI algorithms for consistent results.

OGN Token

Core utility token for staking, rewards, airdrops, and metaverse integration.

Community Bonus

Multi-level bonus system for team growth and leadership.

❏ Built entirely on the BNB Smart Chain—ensuring speed, security, and transparency.

Staking: Level System & Automatic Upgrade

Orcagen is designed for stability and sustainable growth, ensuring every Whale continues to profit and evolve.

1

Start Level 1

Start staking with an initial investment of **\$3**.

2

250% Profit

When total profit reaches 250%, the system will **automatically upgrade** to the next level.

3

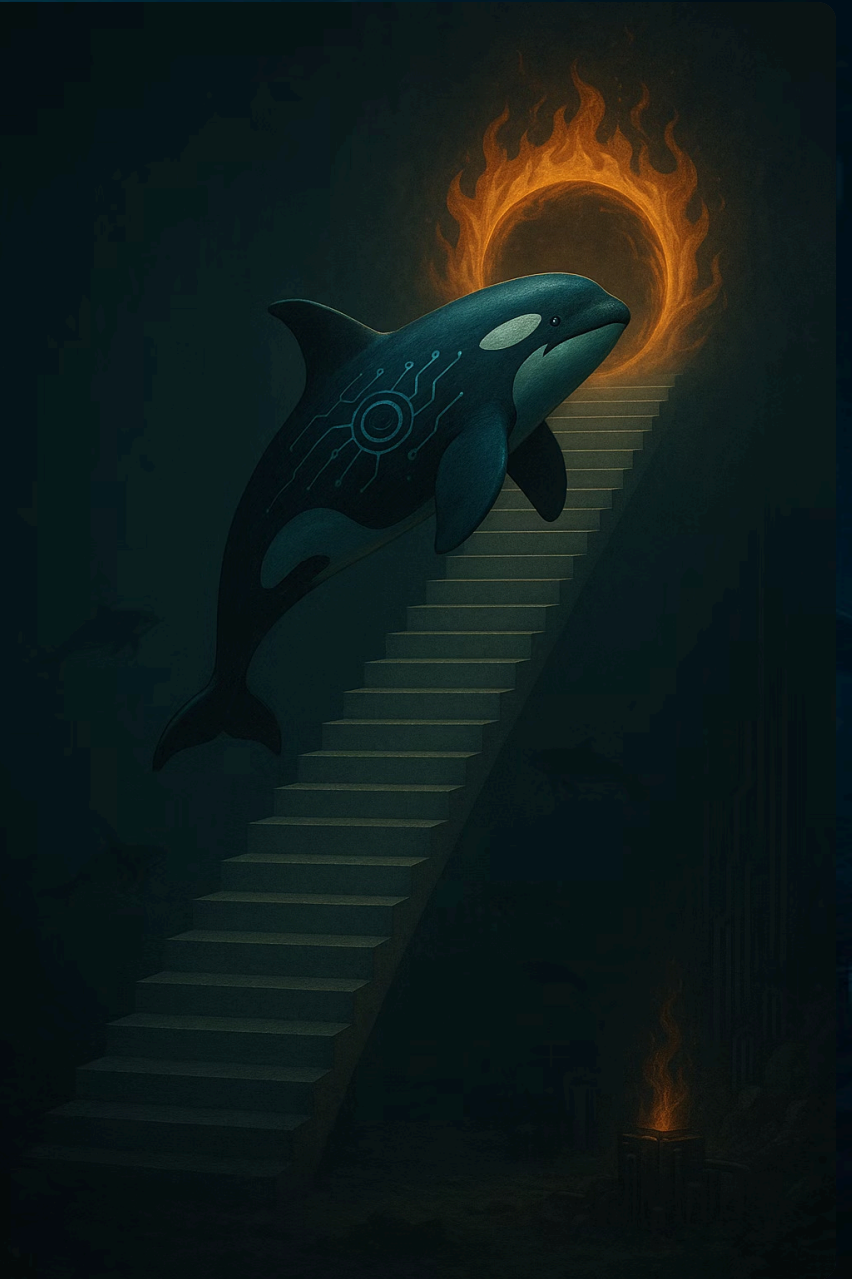

Level Doubling

Each subsequent level requires a cost of **2×** the previous level (L2=\$6, L3=\$12, etc.).

4

VIP Premium

Upon reaching Level 10, you will achieve **VIP Premium status (\$2000)** with a 300% profit limit.

AI Trading Plan: Consistency Without Referrals

Orcagen AI Trade is designed for solo investors who want fast and stable results without relying on team recruitment.

Contract Duration

25 Days

Daily Profit

5%

- **100% Automation:** Driven by smart AI algorithms.
- **Zero Referral Dependency:** Results purely from trading performance.
- **Consistent:** Stable daily profits guaranteed by the system.

OGN Tokenomics & Airdrop Opportunity

OGN (Orcagen Token) is the functional backbone that ensures the utility and growth of the ecosystem.

Token Specifications

| | |
|--------------|--------------------------|
| Blockchain | BNB Smart Chain (BEP-20) |
| Total Supply | 1,000,000,000 OGN |
| Listing Year | 2026 |

Premier Airdrop

Get **200 OGN** (worth approximately \$100) for every staking activation worth \$3.

OGN Token Utility

- 1

Staking & Rewards

Participate in staking to earn rewards and contribute to network security.
- 2

Ecosystem Trading

Facilitate seamless trading within the Orcagen ecosystem.
- 3

Metaverse Integration

Will be used in Orcagen Galaxy, our immersive metaverse platform.
- 4

AI-Powered

Supported by the growth of AI and blockchain ecosystems, ensuring future relevance and innovation.

Daily Matching Bonus System (Total 140%)

Earn passive daily team rewards through profit matching bonuses from your downline team up to 5 levels deep.

1

Level 1: 100%

From direct downline's daily profit.

2

Level 2: 10%

Daily matching bonus.

3

Level 3: 10%

Daily matching bonus.

4

Level 4: 10%

Daily matching bonus.

5

Level 5: 10%

Daily matching bonus.

Recruitment & Group Bonus (Up to 40 Levels)

Expand Your Ocean of Profits Through Team Bonuses

Level 1: 10%

Direct Referral Bonus. Paid on your direct team's staking.

Levels 2-40: 5% Each

Group Level Bonus. Extends your profits up to 40 levels deep.

This bonus is based on team staking and performance, providing rewards for effective growth and leadership.

Total Group Bonus:

210%

Deposit, Withdrawal & Wallet System

Quick access and real benefits, supported by leading crypto technology and verified blockchain security.

Minimum Top-Up

Minimum **\$20** to start your activity on the platform.

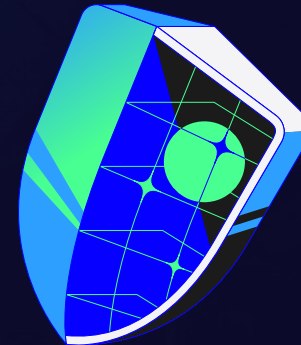

Maximum Withdrawal

Daily withdrawal limit of **\$100** per wallet.

Minimum Withdrawal

Minimum daily withdrawal of **\$5**.

Supported Wallets

All transactions are guaranteed, verified, and **transparent** on BNB Smart Chain (BEP-20).

Roadmap & Future Vision: Towards the Galaxy

Our path is clear: to build a fully integrated ecosystem, connecting blockchain financial intelligence with an immersive Metaverse experience.
